

FOR IMMEDIATE RELEASE

The Bradley Foundation Again Supports the Student Assistance Program in Milwaukee

October 8, 2014 (Germantown, WI)—WLCFS-Christian Family Solutions is thrilled to announce that the [Lynde and Harry Bradley Foundation](#) has again awarded our Student Assistance Program a grant for \$25,000. The purpose of the grant is to provide counseling services onsite at schools in Milwaukee that participate in the Milwaukee Parental Choice Program (MPCP). Recognizing the critical need for counseling in the schools, the Bradley Foundation granted our request so children in the elementary school and high school levels can be supported and ultimately reach their educational goals.

Dan Nommensen, LPC, Coordinator of the Student Assistance Program at WLCFS, says, "The support that we continue to receive from the Bradley Foundation is critical to the students in Milwaukee's Choice schools who struggle with emotional or behavioral challenges. Without this support, we could not provide the counseling services we do to the students, and they would not get the help they need to be successful."

The funds from this gift will be combined with other donations and grants and used to support counseling services currently being offered on-site at MPCP schools. Since 2008, this program has provided critical services to over 500 students.

If you wish to make a [donation](#) to the Student Assistance Program through WLCFS-Christian Family Solutions, you can help us ensure that these quality counseling services remain at these schools and allow us to expand to other school locations.

WLCFS-Christian Family Solutions (Wisconsin Lutheran Child & Family Service, Inc.) is a not-for-profit organization providing non-medical in-home care services; senior assisted living communities; Christian Family Counseling clinics in Wisconsin, Minnesota, and Michigan; and online video counseling around the world.
