

*Healing & helping
people in need
through the ministry
of Jesus Christ...
since 1965*

WLCFS-Christian Family Solutions has been **healing and helping people in need through the ministry of Jesus Christ since 1965**. Each day, we provide quality Christian care to individuals, families, congregations, and communities through our counseling, in-home care, and senior services.

The **counseling division** operates Christian Family Counseling clinics throughout Wisconsin and Minnesota. All of our Christian counselors are licensed professionals with a wide variety of specialty areas. Counseling can be provided in-person at our clinic locations or via secure video anywhere in the country or worldwide.

The **in-home care division** provides non-medical home care, Elder Care Navigation, and in-home technology options for adults and seniors who want to maintain their independence and dignity while living in the comfort of their own homes.

The **senior services division** operates two assisted living facilities in Hartford and Milwaukee, WI.

Since WLCFS-Christian Family Solutions is affiliated with, but not financially supported by, the Wisconsin Evangelical Lutheran Synod, we rely on the generosity of donors and congregations to help support the cost of our services.
