ABOUT OUR SERVICES

Our Lakeville clinic is certified to provide Children's Therapeutic Services and Supports (CTSS).

Adolescent Day Treatment Programs

Our programs provide a higher level of counseling care for adolescents with significant behavior and mental health issues. Our day treatment groups incorporate trauma-focused CBT and DBT-inspired programming.

Outpatient Counseling

Our counselors have a wide variety of specialty areas. We have immediate openings to help children, individuals, and families with issues such as:

- Depression & anxiety
- Stress
- Family issues
- Self-harm & suicidal ideation
- Trauma & abuse
- PTSD
