

It's no secret that there are a lot of hurting people in the world. Untreated mental health concerns can affect entire families as people suffer in silence. At Christian Family Solutions, our mission is to heal and help people in need.

WE ARE THE CHRISTIAN COUNSELING RESOURCE PEOPLE TURN TO FOR HEALING, HELP, AND HOPE.

We meet each client with compassion and excellent clinical care, regardless of church affiliation or background. We invite you to learn more about our approach and experience the excellence of Christ-centered care.

INDIVIDUAL & FAMILY COUNSELING

Professional Christian counseling with levels of care to meet your needs.

IN PERSON
or VIA VIDEO

YOU MAY HAVE QUESTIONS ABOUT COUNSELING.

We are here to walk you through the process.

Excellent care

Each of our clinics is state certified and staffed by licensed and specialized professional counselors. We are able to assist children, teens, families, individuals, couples, and groups in a comfortable, supportive, and Christ-centered atmosphere.

What issues can counseling address?

- Stress & adjustment disorders
- Marriage & couples concerns
- Grief & loss
- Parenting & family issues
- Depression & anxiety
- Addictions

If symptoms escalate

Some people need a higher “dose” of care than traditional outpatient counseling can provide. When that happens, our Intensive Outpatient and Day Treatment programs provide a higher level of care. Clients can continue with their outpatient counselor and add these programs to receive more intensive treatment and feel better, faster.

OUR MISSION

Healing and helping people in need through the ministry of Jesus Christ

Christian Family Solutions supports and cares for those who are most vulnerable in our society. We meet their needs in a caring and compassionate way, with excellent care. With this approach, our work reflects the ministry of Jesus Christ.

Counseling session options

We offer **in-person** sessions for individuals who live near one of our clinic locations.

Request appointments by phone and on our website

Sessions **by secure video** (telehealth) can be an option for those who find travel difficult or live too far from our clinics to meet in person. See our website or contact us at 800-438-1772 for more information.

What does it cost?

Fees for counseling services vary depending on several factors, such as the counselor’s level of training, the client’s insurance plan, and the method of payment.

Many insurance plans (including Medicare and Medicaid) cover mental health services, and may cover services provided through video (telehealth). Individuals may also choose to pay out of pocket for counseling services. Please see our website or contact us for more information.
